Statement of the returning officer Charles Bueche :

*Beside having to re-send a few emails for people having changed their emails in between, the voting process was smooth. The members have been informed by 2 channels (a-cat.org and their association presidents) and had plenty of time to vote. The participation was good, the result is clear and the process can continue as planned.*

Next steps as for constitution §11 :

*11.5 ...The results of the ballot will be circulated by the I.A.C.A. Committee to all Delegates of the National Associations and it will include a statement by the Returning Officer of the votes cast.*

*11.6 The findings of any such ballot shall be passed by the I.A.C.A. Committee to the ISAF for confirmation.*
